NOW IS THE TIME TO BULK UP WITH 10% OFF OIL!

Various gallon sizes available. See store for details.

No. 1 Engine™:

No. 1 Engine™ Oil is the only engine oil you'll need for all of your equipment, from legacy to Tier 4. Delivers a high-level of performance, reliability and long life in heavy-duty operations. Maintains lubricity even with ultra-low sulfur diesel fuel. Assured protection through recommended oil change intervals.

Hy-Tran®:

Hy-Tran® Premium Hydraulic Transmission is bench tested, field tested and approved by CNH Industrial engineers to keep tractor transmissions, axles and hydraulic systems free of deposits while inhibiting wear, corrosion, sludge and foaming. Engineered specifically for Case IH/CASE equipment, it uses the latest zinc-free, anti-wear additives and is formulated to provide premium performance and protection for all generations of equipment—from legacy to CVTs.

CASE IH

HEAVY-DUTY COOLANT/ANTIFREEZE

**10% off
Case IH Brand**

CASE IH IAT ANTIFREEZE

Major diesel engine manufacturers estimate that more than 50% of engine failures are cooling system related. Worn rings, scuffed pistons, cracked heads, and corroded bearings may appear to have nothing in common with the cooling system, when these problems are often the symptoms of improper cooling system maintenance. Using a heavy-duty coolant can help you avoid premature engine failure.

CASE IH OAT ANTIFREEZE

Extended-Life OAT Coolant/Antifreeze is bench tested, field tested and approved by CNH Industrial engineers to provide superior high-temperature protection in extreme conditions. Based exclusively on a synergistic combination of Organic Additive Technology (OAT), this long service life coolant/antifreeze protects cooling system metals against rust, corrosion and deterioration, while fighting deposit buildup and cylinder liner cavitation. Suitable for all heavy- and light-duty diesel, natural gas and gasoline engines, Extended-Life OAT Coolant/Antifreeze is the only coolant able to protect all generations of equipment.

BULK DIESEL EXHAUST FLUID

100 gallons or more.

**10%
OFF***

*Call for price.

20% OFF FLEETGUARD®!

FLEETGUARD ANTIFREEZE/COOLANTS

Fully formulated extended life coolant (antifreeze) with dual borate, phosphate buffer and low silicate formulation for use in all heavy-duty diesel and gas engines. Protects against liner pitting, and provides solid corrosion protection for aluminum, cast iron, copper, brass and solder.

BATTERIES

**15% off

batteries**

Contact store for complete list of qualifying items.

Whether you're storing your equipment after a successful harvest or tackling maintenance before the busy spring season, machine inspections should be on your to-do list. Checking equipment for updates and repairs should be done routinely throughout the year; however, a proper inspection from your dealer is a proven way to protect your investment and keep your equipment working at peak condition.

PLANTER INSPECTIONS

Inspections consist of a comprehensive 50+ point test.
\$20/meter flat rate for testing meters with an (in house) inspection.

800-900-950-955 Series..... \$150 plus mileage

1200 Series and up..... \$20 a row plus mileage

A six-month extended parts warranty is available on top of an existing six-month warranty on new and remanufactured parts when installed by a Case IH dealer by March 31, 2023.

EARTH METAL CULTIVATOR SWEEPS

Maxxi-Width

Constant width wing design for maximum performance; heavy duty 1" reinforced wear tip for improved penetration and less draft; fits Case IH and most other makes of field cultivators.

Maxxi-Point

Heavy-duty extended nose with 1/2" wear point for increased wear life and penetration; high strength alloy steel and superior heat-treatment promote better scouring and longer wear life; constant width wing design.

Maxxi-Grip

20% heavier than Maxxi-Width sweep for increased wear life; mounts to heavy-duty case adapter; easy to install, easy to remove; neoprene gripper strips on the side of the casting hold sweep firmly in place.

Maxxi-Point Plus

Same outstanding design and manufacturing features as the Maxxi-Point sweeps; new 2-part design to reduce replacement time; mounts to heavy-duty cast adapter; easy to install, easy to replace.

* Minimum order quantity of 20 for 10% off

**Stack the savings with an
INSTANT REBATE of \$2 Off every qualifying Earth Metal sweep!**

PROVEN RESULTS FROM FACTORY-TRAINED TECHNICIANS

As certified product experts, Case IH technicians know how to uncover, assess and solve problems that might otherwise go unnoticed. And that's just the start. An equipment inspection from your Case IH dealer also:

- **Provides Peace of Mind:** Every genuine Case IH and remanufactured part comes with warranty protection when properly installed by a factory-trained technician.
- **Minimizes Downtime:** It might not be difficult to spot a major equipment issue such as a worn belt or a broken chain, but technicians are trained to look past obvious fixes and spot possible issues before they become a problem.
- **Improves Productivity:** By investing in a proactive approach to maintenance inspections, service technicians can help you prevent or eliminate costly downtime by diagnosing and solving issues before they become a problem. Your dealer also can spot opportunities to upgrade your equipment, which will improve your overall uptime and productivity.

RECEIVE

NO INTEREST² AND NO PAYMENTS² FOR 4 MONTHS OR MORE

on qualifying purchases of \$2,000 or more on Maintenance parts when financed with a Productivity PlusSM Account.

Now through December 31, 2023

¹For commercial use only—not intended for personal, family or household use. Receive no interest and no payments for 4 months or more on qualifying purchases of \$5,000 or more made using a CNH Industrial Capital[®] Productivity PlusSM Account (the "Account") during a single visit to a participating dealer between 11/1/2023 and 12/31/2023 with a qualifying equipment inspection. The promotional period and promotional terms applicable to any Account balance resulting from such purchases are subject to early termination in the event any payment is not made on any other balance outstanding under the Account when due during the promotional period. Standard terms and conditions for the Account will apply to promotional balances after the termination or expiration of the promotional period—they will be subject to minimum monthly payment requirements and will accrue finance charges or interest (at an interest rate or credit rate of 18.9% per annum in the case of a Canadian account) in accordance with the agreement governing the Account. Customer participation subject to credit qualification, available credit, and good standing on all CNH Industrial Capital accounts. Not all customers may qualify for this rate or term. See your participating dealer for more details and eligibility requirements. Offer subject to change or cancellation without notice. ²For commercial use only—not intended for personal, family or household use.
